Report from the Vestry

By Brad Orvis, Senior Warden

The vestry met last Sunday and reviewed the financials. All is good, though we are looking at moving stocks to the Episcopal Church fund.

We continue to discuss and fine tune a mission statement to better define the mission of St David's.

We all went on a short trek in the woods to see the work parishioner Kayler DeBrew has generously done in the wooded area above the church. There is more to do, but a significant improvement from where it was at the outset.

We wish to thank the youth for a beautifully done service Sunday. We are so proud and feel that we benefit greatly by the presence of such a Godly group.

As always please continue to add to the names on the white board so all tasks get done. And remember we are all members of St David's. If you see something that needs to be done, please do it if you are able. If you can't, please inform a Vestry member. Blessings to all.

Next Soup Supper is April 28th.

Myranda Warfield shows off the new sign that will hang out by the street prior to each soup supper. The next one will be on April 28th.

Please take just a moment and email [Myranda Warfield](mailto:Myranda.Warfield@st-david.org) if you are coming and what you plan to bring, just so we will know how many tables to set up and whether to line up an extra pot of soup. But please come, regardless of whether you bring anything other than yourself.

A Primer On Transgender

Myranda Warfield moderated a lively group discussion on transgender-related topics after church last Sunday. It was so well received that they have generously offered to do a follow-up session soon.
