

St. David's Episcopal Church, Cullowhee, NC  
Annual Meeting Minutes

The 2016 annual meeting was held after church on December 11, 2016 rather than after the first of the year as in the past. A December meeting allows for election of vestry members and presentation of a pro forma budget before the start of the new year in compliance with Diocesan guidelines. Two new vestry members were elected by written ballot from a slate of four: Muff Lyons, Paul Yanik, Judy Robinson, and Nancie Wilson. Muff Lyons and Paul Yanik were elected. Wesley Satterwhite and Jane Coburn rotate off.

Muff Lyons gave the altar guild report (Faye Jacobson was not present due to illness) making a plea for new guild members.

Margot Wilcox reviewed the proposed budget and answered questions. The need for finding a new fundraiser was emphasized. The budget and the latest financial report will be posted on the church website shortly. The budget will be presented to the vestry for approval.

Vance Davidson reported that the upstairs of the Parish Hall is finished but for a few small items. \$59,000 remains in the building fund with some bills outstanding, exact amounts not yet known.

Bill Kirwan reported for the Cemetery: there are 5 unassigned grave sites. A landscape architect has helped formulate a plan that includes a flat spot for standing during a graveside service and additional cremains spaces.

Steve Steinbrueck delivered the Senior Warden report and it can be found on the church website.

Michael Hudson wrapped up the meeting at approximately 1 pm.
