Food Ministry Mission Statement

The purpose of the Food Ministry is twofold.

We deliver food to the parish family in times of need. Hot meals are provided following surgery, during extended illnesses, or in other situations in which removing the need to plan for meals allows for concentration on more pressing issues. This past year, when Michael and Barbara were transitioning from their home to Vero and needed assistance, we provided three hot meals a week for a month and within 24 hours had filled the calendar. Delivering the food also was a human contact that they so enjoyed.

The second purpose of our Food Ministry is to organize food for celebrations in the life of the parish. This facet includes celebrations of life following memorial services, as well as recognition of special events and people. These occasions are also planned from time to time as parties to socialize and enjoy the closeness of our congregation.
