

Our Sr Warden has asked for an online vote. Judy Robinson has made the following statement and motion, seconded by Muff Lyons:

It was suggested by the bank rep at Integra that we move the money from our CD to a money market account where it will earn about twice as much interest. The open period for moving this money will close prior to our next vestry meeting, so we are calling for an online vote.

MOTION: Immediately move the money from our CD at Integra Bank to a money market account as suggested by the bank representative.

The motion was made, and seconded, on April 29, 2019. Following voting by e-mail, the motion passed.
