## Vestry News

by Jessica Philyaw, Senior Warden

The vestry had a wonderful retreat at Lake Logan March 18-20<sup>th</sup>. It was a time for us to focus on mission and ministry and to truly get to know each other in new ways. It was a deeply meaningful experience for all of us (and also a lot of fun!), and we look forward to sharing the fruits of that time together with the rest of the congregation in the coming weeks and months. One of vestry's first tasks will be to gain some insight about the WCU campus community and talk with Kelsey Davis about her work with students.

We held our regular March vestry meeting during the retreat, during which we approved the 2021 budget, which was presented at the Annual Meeting, with a few minor modifications to reflect some additional pledges that have been received since that time. One other additional bit of income is coming from the WCU Athletics department, which is playing football in the spring for the first time ever and is renting our parking lot for those home games. There will be a game on the day before Easter, but church members who need access to the parking lot simply need to identify themselves to the parking attendant as needing access to the church. If we are all able to be finished at the church by 12:00 on Saturday, that will be ideal.

As always, if anyone has any questions about vestry activities, please contact any vestry member!

The photos show the raucous (perhaps undignified but extremely fun) game of "Headbanz" that we played one evening after dinner!
