Aesthetics Update

In case you haven't noticed, the recommendations from the Aesthetic Task Force at St. David's are slowly coming to fruition. During the Spring cleanup, the old playground equipment was removed and has now been replaced with a brand-new colorful climbing dome. Options on a new St. David's sign have been reviewed and narrowed down. And next week we will begin work on clearing limbs from some of the trees that have slowly hidden the facade of our beautiful Church. This will include removing two overgrown hollies. The Vestry will consider replacements for any trees that must be removed. Tony's Landscaping Company will be tackling the tree work. Please keep them in your prayers as some of the dead limbs out front will present a challenge to get to. We are all excited about the opportunity to unveil our hidden gem to the surrounding community and allow our Episcopal Red doors to shine a beacon of refuge for all who seek her comfort. It is the Vestry's hope that you share in our excitement!
