It's the Big 90 for Marilyn Jody, our Wise Elder in Residence!

Muff spotted this native milkweed amongst the jungle of growth on the bank above our parking lot. See if you can pick it out, too. Maybe it will attract a Monarch who will lay her eggs on it.

June Smith is off on a trip to France with son Zachary, daughter-in-law Cheryl, and grandson Zephyr meeting up with granddaughter Eureka, who is finishing year in France as an exchange student. Perhaps she has a stowaway with her, too! Madeline the cat looks like she is ready to go!

Up for Grabs

Muff Lyons is looking to rehome the orchid cactus in the center of the photo at left. She keeps them in a south-facing window at 50 degrees or warmer during the winter. In the summer they get morning sun and afternoon shade outdoors. They don't need much water. She feeds them occasionally with African violet food. She got her start from Alice Mason back when Alice was program director at a nursing home near Franklin. First one to reply to mufflyons@gmail.com gets to claim this jewel.

A sincere thank you from the editor for your submissions! News items and especially photos are always welcome. Let us know what you are up to or anything of interest to your parish friends. Send items to [Maggie Bowles](mailto:Maggie.Bowles).
