

The Coracle

St Davids Cullowhee

June 27, 2021

Called to embody God's love by welcoming everyone who enters and by empowering all who stay to make a difference in the world.

Cleanup Day Scheduled for July 3rd

The Vestry has agreed on a Spring/Summer Cleanup Day at St David's on Saturday July 3rd starting at 8 am. Goals are pruning shrubs, taking out invasives and removing foliage that have outlived their purpose. Useful tools include lopping shears, pruning shears and saws. We will also clean the deck and railing and outdoor furniture. We need a crew skilled in the art of the brush to stain handrails. Any and all are welcome.

Putting Together the "Stream Team"

By Doug Hanks

Not to be confused with the 1992 United States Men's Olympic Basketball Team. I am looking for adventurous individuals to assist with streaming Sunday morning Services to Facebook. Since we kicked off streaming a live feed using our Mevo camera, I have been in charge of setting up the Wi-Fi in the Sanctuary and beginning and ending the feed to Facebook. In the event that I have been unavailable, Mother Gaelyn and Jessica have graciously stepped in. I am hoping to recruit a few more Streamers to step in and eventually make this a sign-up board position. But that is for the future. For now, if you would be interested in learning more about how we get the Sunday morning Service out to the masses, please email me. Rest assured; you DO NOT have to be tech savvy. I have proved this to be true over the past year. The position will come with step-by-step instructions, and you do not have to get fancy with the Mevo. (Although you will almost assuredly succumb to its siren song to get creative with the feed, as I have.) If not, no problem. What's important is getting the feed out. The time commitment is arriving at St David's early enough to get the Wi-Fi and Mevo down to the Sanctuary and set up (arrive around 10:20 am.); beginning and ending the feed and returning the Wi-Fi to the Upper Room. You are even welcome to meet me at St David's to watch me go through the motions before you commit. It is truly inspiring, and you will most definitely leave a changed person! If interested, email me at:

dhanks2@mac.com

And rest assured, we will slowly transition into this position so you will not be expected to serve until you feel you are ready. Don't miss out on your chance to be on the Stream Team.

Respectfully,
Doug Hanks: Your Junior Warden and Tech Novice

Church Hike Rescheduled for July 18th

Due to an abundance of rain from the tropical depression last Sunday, the Soco Gap hike is rescheduled for Sunday, July 18th. We will hope for good weather and lots of people to be available for an outing in the woods.

Circles of Hope Needs Help

Dear St. David's Members,

In the past we have helped with the dinner meal for Circles of Hope in the months that have 5 Tuesdays. They want to know if we can help again. It requires us to prepare a picnic meal for 20 people. They are currently meeting in the picnic shelter area at WCU. If you would like to help with a meal please call me at 586-9557. Thanks so much.

Judy Annis

Keep On Sending in Those Favorite Hymns

Now that we can sing again in church, this is a great opportunity to get to sing your favorites! Mother Gaelyn will integrate them into the services during July and August, regardless of the season when they normally would appear. Email your favorites to [Mother Gaelyn](#) and [Maggie Bowles](#) along with a few words about why you like them.

Come to the Lake: An On-Site Art-Making Event

August 9 - 11, 2021

Medium: All Medium Plein Air

Cost with Lodging & Meals: Single Occupancy \$450

Double Occupancy \$350 | Commuter \$250 (meals only)

Artists of all disciplines are invited to participate in a 3-day on-site, or *plein air*, art-making event in an outdoor studio of 300 acres of Lake Logan Conference Center, August 9 – 11, 2021. Whether one's medium is painting, drawing, photography, or a fusion of approaches, this is a chance to retreat and make art in community of other artists.

Located 10.9 miles from Waynesville, NC, participants will stay in Lake Logan's charming cabins and spend the days creating in a landscape replete with natural features; the lake, the lily pond, the Pigeon River, secluded wooded areas, streams and waterfalls.

The retreat will be hosted by artist, former art professor at Western Carolina University, and founder and director of the internationally recognized Cullowhee Arts. Hendrix has hosted dozens of artist retreats with workshops at Lake Logan Conference Center. "I know first-hand how inspiring and transformative the beauty and serenity of Lake Logan's landscape can be in furthering one's creative work," says Norma. "Waking in the morning to the ever-changing light on the water is enough to set the mood for the day. It is the perfect environment for creative pursuits."

The event will include a reception and small exhibit for participants, along with invited Lake Logan friends and supporters.

About the Host:

Norma Hendrix has been an exhibiting artist for over 40 years. She holds a BFA from Ohio University, an MA from Western Carolina University and an MFA from Northern Vermont University. She has been guest curator at Western Carolina University's Fine Art Museum, Carolina Gallery, Highlands, North Carolina and the Cullowhee Arts' ArtSpace gallery, Sylva, North Carolina. Hendrix has exhibited in numerous group and solo exhibits. She has twice been the recipient of a North Carolina Arts Council's "Regional Arts Project Grant." The most recent award funded a mono-print project at Jeff Hirst Studio in Chicago, Illinois, culminating in the suite of work: "Land, Water, Air," exhibited at the Cullowhee Arts' ArtSpace. Hendrix's artwork is held in private and public collections in the US, France and England. normahendrixart.com
