

The Coracle

St Davids Cullowhee

July 25, 2021

Called to embody God's love by welcoming everyone who enters and by empowering all who stay to make a difference in the world.

Welcome Suzann Cornell as the new Parish Administrator for Saint David's in the Valley!

Suzann, a native Floridian, moved to the beautiful mountains of North Carolina in 2016. Suzann's administrative experience began when as a child she worked in her father's law office. After high school she became a legal secretary and paralegal, before attending the University of Florida. While attending the university, she worked as an Administrative Assistant for the Florida Gators. She holds a bachelor's, master's, and doctorate from the University of Florida. She had a long career in education as a teacher, principal, and adjunct professor, before semi-retiring in 2017. She is married to Jim Cornell, who is a retired educator.

Church Hike

Once again, the church hike was postponed due to unsettled weather. It is now rescheduled for August 15th. Please put this on your calendar; surely, we will get lucky on the third try!

Sunday, August 1st Will Be Busy and Special Farewell and Best Wishes!

Sunday, August 1st after church

Please plan to come to this special Coffee Hour. This will be the first all-parish celebration since Covid began plus we are honoring two people who will be sorely missed. Scott and Jessica Philyaw are moving to Canada where Jessica will begin a new job in the cataloging department of Canada's largest library wholesaler. We wish them well on their adventure!

Families with middle and high school age children: mark your calendars! On August 1st we will gather at the Hanks house for an afternoon of fun and socializing.

Shared Bishop's Visitation

On Sunday, September 12th at 11 am, St. David's will gather for Holy Eucharist with Confirmation, Reception, and Reaffirmation of Baptismal Vows along with Grace Church in the Mountains, St. John's Sylva, and St. Andrew's, Canton at Lake Logan.

The bishop visits every congregation in the diocese most years to confirm, receive, and reaffirm parishioners as well to be with each congregation pastorally. Confirmation is a mature affirmation of faith and commitment to the responsibilities of Baptism. Priests may baptize but only a bishop confirms or receives individuals into the church. In the Episcopal Church there is a variation in ages when youth typically choose to be confirmed anywhere from 10 or 11 through early adulthood. The important distinction to be made is that confirmation is a choice. In confirmation a person, whether a youth or adult, is taking on the promises for themselves that were made for them in baptism. If you or your child are curious about confirmation, please speak to Mtr. Gaelyn.

Wild Goose Festival

The Wild Goose Festival is a place and experience of home. I have been part of the festival since 2012 starting as a Ranger and moving into various positions each year as needed. I have been on staff since 2015 and am in charge of Finances and the Office. Each year WGF is like a big family reunion with those who spend a week living the gospel and practicing what it would be like to live the gospel every day in our own lives and our own communities. There are speakers, musicians, artists, and activists, but for me, even more than all that, there are thousands of people doing their best to live into the fullness of who they are and who God calls us to be. If you want to be part of this, please come or even better volunteer (there are teams listed below, and I still need some, too). If you have any questions, please let me know. I would be happy to help connect you to this life-giving community!
Peace and blessings,

Mother Achyn

COVID-19 POLICY - Vaccinations Required

We don't want a festival where everyone must wear a mask all the time, but masks may be required in some situations, so plan on bringing masks. In addition, *proof of vaccination for all adults will be required to attend the festival*. We also reserve the right to implement additional safety measures that are unknown at this time. Our goal is to gather and to gather as safely as possible.

[You can find team descriptions here](#)

Update on Covid-Related Practices

Informed by national and state public health guidelines and those of Bishop José, the Vestry has decided to revise our mask and distancing guidance for worship services and other indoor gatherings. Importantly, we realize that many have different comfort levels about gathering in public and encourage you to talk with Mtr. Gaelyn or any Vestry member if you have concerns.

Masks:

- Unvaccinated individuals should wear face masks when indoors. This includes children who are too young to be vaccinated, those who cannot be vaccinated, and those who have chosen not to be vaccinated.
- Masks should be worn when working with children who are unvaccinated.
- If you are fully vaccinated, masks are not required during worship services or other indoor gatherings.
- We encourage you to wear a mask if you are more comfortable doing so.
- Masks are available on the cabinet just inside the main sanctuary doors.

Distancing:

- The pew cushions that were removed to encourage distancing will be replaced. Please sit at whatever distance feels comfortable to you.
- Please respect those who choose to sit or stand at a distance during any gathering.

Holy Eucharist, Offering, and Sharing the Peace

- We will continue to use individual cups when celebrating the Holy Eucharist.
- We will resume passing of the offering plate.
- As you are comfortable, you may resume Sharing of the Peace as you have done in the past.

Air Conditioning

- Due to increasing temperature and humidity, we will resume use of the air conditioning; windows and doors will not remain open.

Come to the Lake: An On-Site Art-Making Event

August 9 - 11, 2021

Mediums: All Mediums (Paint, Air)

Cost with Lodging & Meals: Single Occupancy \$450

Double Occupancy \$350 | Commuter \$250 (meals only)

Artists of all disciplines are invited to participate in a 3-day on-site, or plein air, art-making event in an outdoor studio of 300 acres of Lake Logan Conference Center, August 9 - 11, 2021. Whether one's medium is painting, drawing, photography, or a fusion of approaches, this is a chance to retreat and make art in community of other artists.

Located 10.9 miles from Waynesville, NC, participants will stay in Lake Logan's charming cabins and spend the days creating in a landscape replete with natural features, the lake, the Lily pond, the Pigeon River, secluded wooded areas, streams and waterfalls.

The retreat will be hosted by artist, former art professor at Western Carolina University, and founder and director of the internationally recognized Cullowhee Arts. Hendrix has hosted dozens of artist retreats with workshops at Lake Logan Conference Center. "I know first-hand how inspiring and transformative the beauty and serenity of Lake Logan's landscape can be in furthering one's creative work," says Norma. "Walking in the morning to the ever-changing light on the water is enough to set the mood for the day. It is the perfect environment for creative pursuits."

The event will include a reception and small exhibit for participants, along with invited Lake Logan friends and supporters.

About the Host:

Norma Hendrix has been an exhibiting artist for over 40 years. She holds a BFA from Ohio University, an MA from Western Carolina University and an MFA from Northern Vermont University. She has been guest curator at Western Carolina University's Fine Art Museum, Carolina Gallery, Highlands, North Carolina and the Cullowhee Arts' ArtSpace gallery, Sylva, North Carolina. Hendrix has exhibited in numerous group and solo exhibits. She has twice been the recipient of a North Carolina Arts Council's "Regional Arts Project Grant." The most recent award funded a mono-print project at Jeff Heist Studios in Chicago, Illinois, culminating in the suite of work: "Land, Water, Air," exhibited at the Cullowhee Arts' ArtSpace. Hendrix's artwork is held in private and public collections in the US, France and England. normahendrixart.com
