COVID Continues to Confound...

A small ad-hoc group met to discuss the Wine Event on Wednesday September 21st. After pooling all of our ideas and misgivings about how to do such an event safely in the time of COVID, we have decided NOT to have an in-person event, but to provide an ordering opportunity.

Stay tuned for more details!

Sincere thanks to the Wine Tasting planners for your continuing efforts in these trying times.

June Smith wants everybody to know that she came through her cataract surgery with flying colors and appreciates all the prayers and concern that people have expressed.

Ember Reyn Holmes born 9/8/2021 with older brother celebrating his birthday 9/9/2018. Much to be thankful for by parents Elise and Matt Holmes and "Mimi" Haidee Wilson.

Ron and Judy Robinson have enjoyed a wonderful week on the southern shore of Lake Superior. They explored the Soo Locks in Sault St. Marie and loading of iron ore near Marquette; several state parks with lovely waterfalls and hiking; walked the endless trails right on the lake and sat on the beach; enjoyed Pictured Rocks National Lakeshore by boat and on foot. The water was cool, but not frigid. Lake Superior is the cleanest of the Great lakes, and that is evident. Ron and Judy are now headed to KC for a week with the grandkids. And then home to Fall color in NC!
